Sir,

I have the honor to submit for sanction an Estimate for Rupees 785/- for repairs urgently needed to the Sri Agas -theswara temple at Tirumakudlu.

The temple was inspected by the Assistant Commissioner in charge of the Chamaraja nagar Sub Division, and he reports that the temple which is situated at the confluence of the rivers Cauv and Kapila is an ancient and historic one; that the Southern part of it being shut out from sunlight and air affords sh to bats - thereby giving rise to a most offens -mell in the temple premises; and that

Consequently it is necessary to carry out the improvements provided for in the Estimate.

The amount at the credit of the temple under Hôsakcad fund is only Rupees 9-8-3, and no contributions can be expected from the devotees of the temple. I request, therefore, the favor of a grant from the General Surplus fund.

Sir,

I have to refer your Secret. No. 1331/65 9c. dated 15 December 1902 calling for a report in re an Estimate for Rs. 785 for repairing the Ayaswara Swami temple at Tirumakudlu in the T. Narasipur Taluk.

I have the honor to state that the Estimate No. 1 is prepared to provide free ventilation for the temple and to facilitate keeping the temple otherwise clean. —

The 2nd Estimate submitted is for repairs necessary to render part of the inner courtyard of the temple, fit for use as a temporary lodging by officers and private gentlemen that may visit the temple.

The 3rd Estimate is necessary as the windows &c are very much dilapidated and consequently rain water admit into the temple causing damp and unhealthiness in the temple, thereby

I request therefore that early sanction may be kindly obtained for all these Estimates.
